Secondary School Principal

January 2016

On behalf of the Secondary School at BCIS, we welcome all visiting teams to the 2016 ACAMIS Green Division Basketball Tournament.

It is our pleasure to be hosting the basketball tournament this year and I hope you will have a wonderful time at our school as you make new friends within the region.

At BCIS, we value respect and strive to empower our students to be compassionate and inspired people. I am confident that you will find our community members to be warm and welcoming hosts and I trust that the tournament is played within an atmosphere of sportsmanship, respect and enjoyment.

I would like to thank our Athletic Director, Mr Darren Skov, and the BCIS coaches and support staff for all of their hard work in organizing this event. I wish all of the students, coaches and spectators involved in the tournament all the very best.

Enjoy the games!

Best regards,

Colleen Drisner
Secondary School Principal

Welcome, or, welcome back.

As we at BCIS prepare to welcome ACAMIS Green Division teams to our school for the third time, it is with great excitement, that I look forward to continuing the relationships we all began back in October 2012 at our school's first ever ACAMIS Green Division tournament.

In the interim, our BCIS student athletes and coaches have joined your schools in nine season tournaments and each one has been a thrilling celebration of all the wonderful benefits sport has to offer. Over that time, it has been such a privilege for me to observe the development of the athletic talent each of you bring to your game, and to notice the pride you all have in your teams and your schools.

ACAMIS tournaments are the culmination of weeks of dedicated work for players and coaches, and we wish you all a great experience of fun, challenge, rising to the big occasion and producing your best basketball, so that regardless of whether there is a trophy in your suitcase or not, you will leave with a smile and fond memories.

Enjoy the many and varied opportunities an event like this presents you with to grow and learn more about yourselves and about old and new friends. Go ahead and give this tournament everything you've got.

Go well.
